EMERGENCY RESPONSE & REPAIR

EMERGENCY RESPONSE 24 /7

BPS employs one of the largest full time DC Power Service Teams in the Northwest. If you experience a power emergency, our team is available 24 hours a day, 365 days a year. Our proven response capabilities have resulted in numerous Fortune 500 companies selecting BPS for their Emergency Call Out List.

Emergency Contact Business Hours: 253.931.8222
After Hours: 206.368.4014

Response Via Air - Our Pacific, WA facility is less than 30 minutes from Sea-Tac Airport enabling us to quickly respond with technical support to any metropolitan area in the western United States.

Response Via Ground - Customer support is further enhanced by our proximity to Hwy 167, 18, I-5 and I-90. This convenient freeway access expedites our ground response to clients across the western U.S.

Should your emergency require temporary power or additional heavy equipment, BPS can respond via ground in one of **our high capacity** or **four wheel drive trucks**.

REPAIRS

BPS has been specializing in DC Power for over 20 years. We are familiar with all major lines of power equipment and technologies and are uniquely qualified to perform field diagnostic and repair services.

- Repairs; Factory Certified by Numerous Manufacturers
- Warranty Support
- Troubleshooting & Evaluation
- Large Inventory of Replacement Parts & Temporary Power

TEMPORARY POWER

Should you require immediate temporary power due to system failure or new equipment lead times, BPS can provide the solution. BPS carries a wide range of rental batteries and chargers in various capacities available to meet your emergency needs.
