

SENIOR LEADS

OVERVIEW Battery Power Systems, Inc. is an organization of DC Power Specialists committed to building solid long-term client relationships based on a dedication to excellence. For over 20 years, BPS has been the Northwest's leader in providing superior DC power services to major corporations in the telecom, utility, and data processing fields. Our quality oriented team is looking for DC Power Installers.

SUMMARY OF FUNCTIONS Duties include DC power plant installation, evaluation, maintenance, testing, repair, on site project management, complex site surveys, audits, quality assurance, and customer satisfaction. Will be working in telecom central offices, cellular sites, data centers and industrial facilities.

EDUCATION & EXPERIENCE

- Minimum 4 years or industry or related military experience.
- Experience in maintenance, repair, and installation of DC power equipment.
- Ability to read schematics and knowledge of AC & DC theory
- Possess or demonstrate ability to secure a WA 07 or 01 Electricians License. Equivalent licensing in OR or CA also acceptable.

QUALITIES

- Effective time management and organizational skills; project planning experience a plus
- Solid leadership, coaching and customer relations skills
- Successful candidates will be quality oriented, self-motivated, team players.

ADDITIONAL REQUIREMENTS

- Must be able to lift 80 lbs.
- Must have ability to perceive differences in wire and cable color.
- Must be able to work at heights up to 10 feet.
- Must possess valid driver's license with acceptable driving record.
- Availability for night or weekend work and overtime as required.
- Must be able to travel out of town
- Candidates must pass pre-employment drug screen and background check.

BENEFITS Include medical, dental, vision, short / long term disability, vacation, holiday, paid no-fault time, travel compensation, 401K, and a skills based promotional system. Our team members enjoy a greater sense of contribution knowing that their talents directly impact the growth of the company.
