

**DC POWER  
INSTALLATIONS**

- New Turn Key Systems
- Power Upgrades
- Hot Cut Overs
- Test & Turn-Up

- Installations
  - DC Power Systems, Batteries, Power Distribution Bays, Control & Monitoring, Alarming, Cabling, Runway, Chargers, Spill Mitigation

**AC  
ELECTRICAL  
SERVICES**

- New Service
- Emergency Power Distribution Design
- Installation, Maintenance, & Repair
  - Generators & Transfer Switches
  - UPS Systems, Inverters, & Fuel Cells

- Licensing:
  - WA, OR, ID, CO, & MT.

**TESTING  
& AUDITS**

- Site Audits
- Capacity Testing per IEEE Standards
- Connection Integrity Testing
- Internal Resistance / Conductance / Impedance

- Ground Resistance Testing
- Alarm Set Points
- Infrared Thermography
- Isolation & Noise Mitigation

**EMERGENCY  
RESPONSE &  
MAINTENANCE**

- Emergency Service: 24 / 7 / 365
  - Temporary Power Rentals
  - Repairs; Factory Certified by Numerous Mfrs
  - Troubleshooting & Evaluation
  - Large Inventory of Replacement Parts

- Customized Maintenance Programs
  - Designed to meet IEEE Requirements
  - Maintain Equipment Warranties
  - Comprehensive Report & Recommendations

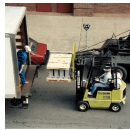

**CERTIFIED  
RECYCLING**

- Certified Recycling Programs
  - Extensive General & Umbrella Coverage
  - Job Site & Transportation Pollution Coverage
  - BPS is DOT Registered for Haz Mat Transport
  - BPS Drivers maintain CDL, Class B, Haz Mat
  - Flooded Cells Packaged in Sealed Overpacks

- Specialized MHE for Challenging Removals
- Documented Spill Response Procedures
- Spill Response Kits & OSHA Required PPE
- EPA Approved Facilities
- Back-up Documentation Maintained at BPS for 10 Years

**LOGISTICS  
SERVICES**

- Deployment Services
  - Procurement, Expediting, Staging, Shipment
  - Inspection, Equipment Assessment, Warehouse
  - Testing, Haz Mat Transport, Delivery

- Relocation & Storage Services
  - Equipment Shut Down, Disassembly, Packaging,
  - Haz Mat Transport, Storage, Periodic Charging,
  - Re-Installation

**ENGINEERING  
CONSULTING  
& DESIGN**

- Engineer, Furnish & Install
- Consulting Services
- Site Audits
- Grounding Services
- Training & Seminars

- Design Services
  - Equipment Cabinet Integration , Custom Emergency
  - Power Off , Equipment Spreader Plates,
  - Certified Seismic Zone 4 Pedestals for Raised Floors,
  - Custom Disconnects, Specialized LVD Panels

**SAFETY  
& SPILL  
MITIGATION**

- Installation of Spill Mitigation Systems
- Compliance Audits
- Disaster Recovery
